The GOP Agenda for Change

- ☑ A new park maintenance program to **make all our parks clean and safe!**
- ☑ Improved police protection to **make all of Piscataway safe!**
- ☑ A common sense budget to **cut wasteful spending!**
- ☑ **Enact a revitalization plan for Arbor!**
- ☑ Stop the attempt by Wahler & Merolla to steal the Cornell Farm from the Halper family!
- ☑ Stop the Route 18 superhighway and implement a comprehensive transportation plan ***that works for Piscataway!***
- ☑ Televisе Council Meetings so you can see what's going on!

Democrat Brian Wahler and his council slate think the status quo is good enough.
So does Democrat/Independent Helen Merolla.

We think the people of Piscataway deserve better!

Remember, things will never change in Piscataway until
you change the people running Piscataway!

Vote for the Local Republican Team!
